DEMOGRAPHIC ISSUES AND SOLUTIONS IN EUROPE

ORGANISER

Central European Academy

DATE OF THE CONFERENCE

5-6 October 2023

VENUE OF THE CONFERENCE

CEA - Diósgyőr auditorium

(Major Udvar Office Building, HU-1122 Budapest, Városmajor utca 12-14.)

CONCEPT

The research objectives of the research group are to examine the macroeconomic effects of demographic change; to define the place of families and family policy in overcoming the demographic crisis; to review the challenges of family policy and the family policy landscape in Central Europe; and to examine the role of family law and health law in protecting families and children and promoting childbearing to improve demographic problems.

The 'Demographic Issues and Solutions in Europe' conference is organised within the framework of the collaboration with the Ministry of EU Affairs in preparation for the Hungarian EU Presidency in 2024.
